## FWS – STOP2 BUDAPEST DISCIPLINES

### BMX FREESTYLE FLAT

Performed on a flat surface with no predetermined structures, BMX Flat is the most artistic, aesthetic and creative form of the discipline, where athletes combine skill, balance and artistry. Every year, FISE pays tribute to BMX Flat by placing the competition at the heart of each event, where the receptive crowds become as one.

### BMX FREESTYLE

This year's collaboration between the International Union of Cyclists (UCI) and FISE continues with the UCI BMX Freestyle Park World Cup, the stages of which are to be part of the FISE World Series international circuit. Athletes' ability in this new Olympic Discipline will keep on increasing so as to be at the very highest level for Tokyo 2020.

### ROLLER FREESTYLE

Roller Freestyle Park, practiced in the same zone as BMX Freestyle Park, enables athletes to use the structures to create figures in varying formats. The judges evaluate originality, style and tricks, as well as the overall impression of each ride. The establishment of World Cup of Roller Freestyle double the challenge for riders.

### WAKESURF

Based on the same ideas as Wakeboard, Wakesurf is practiced on the waves made by boats. The rider is towed by the handle, before releasing it to perform their ride. The goal is to make the maximum turns and tricks without being kicked out of the wave. FISE Budapest will host a stop of the Nautique European Wakesurf Tour 2017.

### SKATEBOARD-OUT CONTEST

Coming as it does from the heart of Skateboard, this contest takes place on a flat surface, challenging the creativity of skateboarders. The first rider chooses and realizes a trick, then the other riders try to do it as well as the first, in one to three attempts. Every time one of them doesn't succeed, they are out of the contest.

## 20 YEARS OF ACTION SPORTS

20 YEARS OF RIDING AND JUMPING, SPINNING AND FLIPPING, GRINDING AND JIBBING, SWEAT, BLOOD AND TEARS, PODIUMS AND CHAMPIONS, WORLD'S FIRSTS AND FIRST TIMERS... 20 YEARS OF GIVING A SHOW FOR THE ROARING CROWDS; 20 YEARS OF CREATING UNFORGETTABLE MOMENTS. THIS YEAR, WE ARE CELEBRATING 20 YEARS OF FREESTYLE: WHAT AN AMAZING ANNIVERSARY FOR US TO CELEBRATE HERE AT FISE.

We have seen some riders come and go, but we have seen some never leave our side. We have been the entry door for amateurs into the pro world. We have brought more action sports lovers into competition than any other event on earth. And with over one million people attending the FISE action sport festival in 2016, including 596 000 people in Montpellier only, we know that what we are doing is reaching out to the masses, firing up passion for our beloved sports.
